

## **Policoat 530 $\mu$**

### **Application:**

For off-line spot or flood varnishing (coating) in offset applications using acrylic or U.V. varnishes

### **Advantages:**

- Easy to cut and peel
- Minimal ink build-up
- Extremely high dimension stability
- No "orange peel" effect on the coating
- Reusable for multiple long run without registration problems

### **Thickness availability (mm):**

0.53 – 0.68
